

BLUE AND GRAY AN EASY WINNER

The Georgetown Base-Ball Team
Rather Outclassed the North
Carolians.

WAS WON IN FIRST INNING

Martell's Home Run Drive Over
Left-Field Fence Clinched
the Victory.

The base-ball team of Georgetown University, Washington, yesterday afternoon had rather an easy time defeating the University of North Carolina, winning by a score of 7 to 2. The Carolians had exhausted themselves in their two successive defeats of the University of Virginia at Chapel Hill and Greensboro on Thursday and Friday, their crack twirler, Sitton, having pitched and won both games. Thompson, who went in to pitch for the Carolians, proved rather an easy proposition for the Washington boys, who bunched a single, a double and a homer in the first inning, earning three runs and really winning the game then.

On the other hand, the Southerners could not hit Drennan, the young left-handed pitcher of Georgetown, getting only two hits in four innings of his delivery, and these two in different innings. Ayer, who relieved Drennan, had poor control, being rather liberal with gifts and hitting three batters. He allowed but three hits, two of which came in the sixth inning. They were unproductive, however.

Fielding Honors Easy.

The fielding honors were easy, each team being credited with the same number of errors, but Georgetown made two fast double plays, which blighted fair prospects for Carolina. Martell made a great catch of a wild throw by Morgan, saving the third baseman an error and retreating the runner by leaping into the air and pulling down the ball. Emerson, the Carolina second baseman, robbed Burns of a safety by a great running catch into short right field. The big first baseman played a star game and won great applause by landing on one of Thompson's shots for a homer over left field fence, scoring Morgan also. Kenne had already scored on his safety. Morgan and a base on balls between them. In the fifth the Blue and Gray added two more on a pass to White, followed by Smith's double to deep left. Scheller's drive to right and an error. After that Catcher Winston went in to pitch for Carolina and succeeded in blanking the Washingtonians for the remaining three innings.

Carolina's first run was made on Morgan's muff of Cullen's pop fly, followed by Thompson's cracking drive to left for two sacks. In the fifth, Ayer, who had replaced Drennan, struck Stein with a pitched ball and gave Jones a pass. Cullen following with a clean drive to center, which counted Stein. Several times the visitors had men on base and a fair prospect of scoring, but fast double plays and futile attempts to steal second on Hart blighted their hopes.

Worsted Cloth

that is every thread wool will wear well, look well and hold its shape well.

Wool has advanced so much in price that many manufacturers are using mercerized cotton in their worsted cloths. The mercerized cotton looks well, but it will not give satisfactory wear and it will not hold its color.

Our worsteds are all wool or all wool and silk, and our prices are no higher than you must pay elsewhere for mercerized cottons.

Through a lucky purchase we are able to offer you twenty-five styles of All-Wool Worsteds at a very moderate price. Choice of the lot,

Remember, we guarantee linings to outwear cloth, and if a garment doesn't fit, it is ours, not yours.

AVOID CONTAGION
AND INFECTION

Disinfect Freely with Platt's Chlorides.

Contagious and infectious diseases are prevalent. The use of a reliable disinfectant protects the household. Dusty or dirty corners and cracks—books being plucked and all spots that can't be reached by the scrubbing brush, should be freely sprinkled with a dilution of one (1) part Platt's Chlorides and ten (10) parts of water. THIS DILUTION COSTS LESS THAN 5 CENTS A QUART. Use it freely in the waste-water, sink and toilet. The disinfectant is placed over the article. To remove objectionable odors where sprinkling is inadvisable, a cloth, wrung out of the dilution mentioned, should be placed over or near the article. A little extra care just now may prevent much sickness and expense. Platt's Chlorides is an odorless, colorless liquid which instantly destroys foul odors and disease-breeding matter. It has been freely submitted to Physicians, Sanitarians and Health Officers for 25 years and over 25,000 written endorsements have been received from them. It is sold everywhere in full quart bottles, and is prepared only by Henry B. Platt, New York.
